

DIY Pet First-Aid Kit

Use this kit in an emergency until your veterinarian can take over

Here's What You'll Need:

- 1) Phone number, clinic name, address of your veterinarian PLUS contact info for local veterinary emergency clinics
- 2) Absorbent gauze pads
- 3) Adhesive tape
- 4) Cotton balls or swabs
- 5) Fresh 3% hydrogen peroxide to induce vomiting
(always check with veterinarian or animal poison control expert before giving to your pet)
- 6) Ice pack
- 7) Disposable gloves
- 8) Scissors with blunt end PLUS tweezers
- 9) Over-the-counter antibiotic ointment
- 10) Liquid dishwashing detergent for bathing PLUS towels
- 11) Small flashlight
- 12) Oral syringe or kitchen baster
- 13) Alcohol wipes
- 14) Styptic powder
- 15) Saline eye solution PLUS artificial tear gel
