

WHAT TO EXPECT AT YOUR Vet appointment

1 Check-In

- A warm welcome to our hospital
- Ensure correct information on file
- Obtain a weight
- Obtain a history by our technician

2 Examination

- A thorough exam by our veterinarian
- Diagnose issue
- Provide treatment plan options and estimates
- If the patient is not cooperating we will send home stress medications to try at a different visit

3 Treatment Plan

- Require tests and treatments performed
- Go over medications and instructions
- Dispense medications
- Discharge instructions or informational resources provided if needed

4 Recovery

- Follow the recommendations of the vet
- Contact us for any concerns
- In some instances a technician will follow up with you
- Recheck if needed

5 Enjoy your pet

- Have fun and enjoy the time with your pet
- Love your pet as much as we do!
